Who we are

Kenya Pharmaceutical Association (KPA) is the representative professional Association and the apex professional body for Enrolled pharmaceutical Technologists in Kenya.

Pharmacy Practice in Kenya has two cadres as per Cap 244 Laws of Kenya. KPA currently has over ten thousand (10,000) members spread across its eleven branches in the country. Nairobi Branch constitutes about 3,400 members making the branch the most vibrant and focal point for many innovations and ideas.

KPA Nairobi Branch Scientific Conferences/Webinars /Meetings/Symposia/Medical Camps/Workshops are therefore the most prestigious professional pharmaceutical meetings in Nairobi bringing together professionals and business people in the pharmaceutical industry.

Kenya Pharmaceutical Association Nairobi Branch

OBJECTIVES OF THE CALENDAR

E V E N T S

6. Business Community Month: This is a month-long initiative that aims at promoting and highlighting the vital roles that community pharmacy practitioners play in healthcare service delivery in Kenya. During this month, community pharmacy practitioners get opportunity to be empowered on areas such as business management skills, customer care and communication in pharmacies, innovations in procurement, human resourcing and personnel reward & development, regulations & tax compliance, financing opportunities. We also use this initiative to highlight success stories, recognizing outstanding community pharmacy practitioners and networking opportunities.
